

ROSE PHARM

made with
**100% Organic
Peppermint Oil**

www.pharmsolutions.com

TREATS:
Black Spot,
Powdery Mildew,
Rust and Rose Pests

Ready-to-Use

All-natural & Bio-degradable

Active Ingredients: Pure Oils of Cottonseed Oil 1.5%, Organic Peppermint Oil .10% and Rosemary Oil .10%.

Inert Ingredients: Food Grade Oleic Acid, Non GMO Canolaa Oil, USP Grade Glycerin and Carbonic Acid Monopotassium Salts, and Cherry Juice: 11.5%. Water: 86.8%.

For Best Results: Spray at Dusk! This lengthens drying time and treatment. Thoroughly water plants in AM. At dusk spray a fine mist on stems, leaves top and bottom. Please do not over spray. Please test! Dilution may be required in 90 plus degree heat to avoid leaf burn. Application during mid-day or high temperatures may cause leaf burn or leaf fall, neither of which should harm the plant. Please test seedlings and ornamentals first, dilute 50% if necessary. Pests and disease will not become resistant to this product.

Pharm Solutions products are safe, bio-degradable, and will not harm beneficials should they land on treated plants. Do not use within 30 days of a sulfur application. Avoid wood siding.

Controls: Mealybugs, Ants, Thrips, Aphids, Spider Mites, Whiteflies, Scales, Leafhoppers, Earwigs and more. Repeat at first sign of infestation.

Use our **Garlic Pharm™** between applications to repel insects.

Patent Pending

Your pure and natural
answer to Garden Pests.
Designed with your family
and the environment in
mind, all ingredients are
pure and natural, food or
pharmaceutical grade.

For Outdoor Use Only
