

# FUNGUS PHARM

made with 100%  
**Certified Organic Soybean Oil**

[www.pharmsolutions.com](http://www.pharmsolutions.com)

## TREATS:

Black Spot  
Rust & Fungus  
Mildews & Molds

**Concentrate**

## All-natural & Bio-degradable

**Active Ingredients:** Certified Organic Soybean Oil 1.5% and Pure Rosemary .10%.

**Inert Ingredients:** Food Grade Oleic Acid, Carbonic Acid Monopotassium Salts, Non GMO Canola Oil, Strawberry & Tomato Juices: 7.5%, Water 90.9%.

**For Best Results:** SPRAY AT DUSK this lengthens drying time and treatment. Thoroughly water plants in the A.M. At dusk spray a fine even mist on the stems, leaves top and bottom and in case of trees, the entire trunk where eggs are wintering over. Please test on seedlings before full application. Please do not over spray, do not spray to drip. There should not be a soapy residue on the leaves.

**For Regular Maintenance:** Mix 8 parts water to 1 part concentrate spraying every 7-10 days. **Infestations:** Mix 4 parts water to 1 part concentrate and spray weekly until pest pressure is eliminated. **For Scale:** Remove affected leaves first then spray an even mist on well-watered plants. Applications during mid-day or high temperatures may cause leaf burn or leaf fall, neither of which should harm the plant. Pharm Solutions products are safe, bio-degradable, and will not harm beneficials should they land on treated plants. Do not use within 30 days of a sulfur application. Avoid wood siding.

**Controls:** Black Spot, Rust and Fungus, Mildews and Molds.

**Patent Pending**

Your pure and natural answer to Garden Fungus. Designed with your family and the environment in mind, all ingredients are either pure, certified organic or pharmaceutical grade, for your safety.
