

DEER PHARM

Made with 100%
Certified Organic Oils

www.pharmsolutions.com

TREATS:

Flowers, Shrubs,
Vegetables, Trees,
Fruits & Berries

Concentrate

FOR ORGANIC PRODUCTION
ORGANIC DEER REPELLANT

100% Certified Organic Oils

One Gallon / 128 Fl Oz

All-natural & Bio-degradable

Active Ingredients: Citric Acid .2%,
Garlic Oil .1%

Inert Ingredients: Certified Organic Fish Oil (Certified Organic By OC/PRO Canada), L-Ascorbic Acid

For Best Results: SPRAY AT DUSK before deer feed. For Regular Maintenance: Mix 4 ounces of Concentrate for each quart of finished product (16 ounces concentrate per gallon diluted in water). Early in the season, spray liberally on foliage and buds. As the season progresses and the deer no longer feed in your garden, spray intermittently as needed. If the deer return, increase spraying for a short time. The deer should not eat anything that has been sprayed with Deer Pharm. Safe for fruits, berries, edibles and herbs. Avoid spraying outside a bedroom window in the evening. Not for use in bear country. Aroma dissipates rapidly. Use freely until harvest. Pharm Solutions products are safe, bio-degradable, and will not harm beneficials should they land on treated plants. Avoid wood siding.

Repels: Deer, Dogs, Moose and some Small Mammals

Patent Pending

Your pure and natural answer to Garden Pests. Designed with your family and the environment in mind, all ingredients are pure or natural & 100% certified organic oils.

For Outdoor Use Only

Positively

No animal testing

No animal by products

Made in the USA

This product contains no alcohol or anti-microbials.

100% PURE

Deer Pharm is the first deer repellent made with Certified Organic Oils. You will be amazed how critters that once devoured your flowers & vegetable garden are now repelled. Use freely until harvest.

For use in the home garden and for use by commercial growers.

Safe for Edibles & Herbs

Caution: Keep out of the reach of children. Wear eye protection and gloves when handling. If used in a greenhouse, a dusk mask is advisable. If exposed, flush eyes with water. Do Not Drink! Avoid wood siding. If contents settle, gently rotate bottle. Protect from freezing. Store in a cool, dry place. Rinse empty container, wrap in newspaper and discard in trash.
